

August 28, 2026

To Whom It May Concern,

I am pleased to recommend Sally Zaiter, who recently completed the Full Stack Web Development Internship program at Integrated Digital Systems - IDS from July 06, 2026 to August 28, 2026. Throughout this period, Sally Zaiter demonstrated exceptional technical proficiency and a strong work ethic.

Sally Zaiter gained hands-on experience with core web development technologies including HTML, CSS, JavaScript, C# (ASP.NET Core), PHP, and SQL for database management. Sally Zaiter worked with frontend frameworks like React.js and Vue.js, and backend frameworks including ASP.NET Core and Laravel. Additionally, Sally Zaiter became proficient in version control with Git, database systems like SQL Server, MySQL, and PostgreSQL, and development tools such as Visual Studio and Visual Studio Code.

Sally Zaiter showed a strong understanding of responsive and mobile-first design principles, MVC architecture, and API development with RESTful APIs. Sally Zaiter also embraced security best practices, unit testing, debugging techniques, and participated actively in code reviews and collaborative development practices. Furthermore, Sally Zaiter demonstrated expertise in performance optimization and SEO principles.

In conclusion, I have full confidence in Sally Zaiter's abilities and recommend them for any future web development position. Sally Zaiter will undoubtedly be a valuable asset to any team.

Please feel free to contact me if you need any further information.

Sincerely,

Suha Mneimneh
Team Leader
